## BUILDERS: DURABLE WORKWEAR

- **Who?** The Builder, the blue collar worker, the laborer, the tradesman. People who do hard work but care about style
- **Where?** In the purest form: workwear channel. Workwear aesthetic also appeals to the fashion, skate, and outdoor channel.
- **Why?** Workwear is part of our brand DNA and we strive to make product that stands the test of time. We believe in durable, functional product for the builder, that still represents our timeless classic aesthetic. Our Brixton consumer is already wearing our flannels and our headwear on the job site, and it is time we expand to new categories for the Builder.
- **What?** The most durable of all of our product built to function in intense environments. Product that functions, and lasts while not sacrificing style. Offered up to 3X and comes with a Lifetime Guarantee (TBD)
