FALL 2024  
RESERVE ASSEMBLY COLLECTION

**BRIXTON** ASSEMBLY

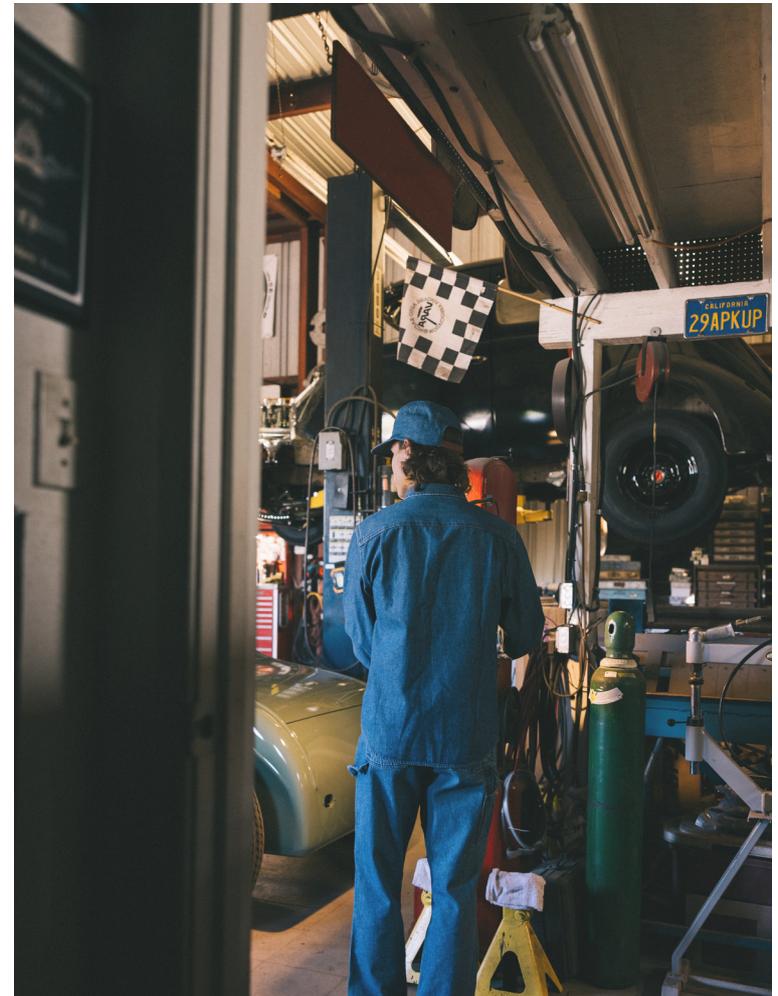

**INSPIRED BY HERITAGE  
WORKWEAR FROM THE  
ASSEMBLY LINES OF THE  
EARLY AUTOMOTIVE INDUSTRY.**

*Inspired by workwear found on the assembly line workers in mid-century Detroit, - Motor City - where fit, comfort and durability were required for the job at hand. The pieces in the Assembly Collection are made with a premium 100% cotton herringbone and contrast denim patchwork with added detailed triple-needle reinforced seams and double layering for durability in high wear areas. We stuck to the standard fit and utilitarian designs of the era to be authentic to the time and unique for today.*
