SUMMER 2027

KEY GTM STORIES

ALWAYS ON

Inspired by the rugged simplicity of the French coast, the Summer 27 collection reimagines classic workwear with lightweight materials, relaxed structure, and effortless summer ease. Familiar utility silhouettes are refreshed through airy cottons and sun-washed color, balancing durability with a laid-back coastal feel. Muted pastels, crisp whites, and nautical stripes reference generations of seafaring tradition, while modern proportions bring a distinctly Brixton point of view. Refined yet lived-in, each piece is designed for long days, warm nights, and wherever the season leads.

STRAW HEADWEAR

When temperatures rise, straw is the natural choice. Woven for shade and built to breathe, our straw headwear brings Brixton's heritage into the heart of summer. From wide-brim silhouettes made for long days outside to packable styles designed to travel, each piece balances lasting function with considered detail. Made to return to season after season, just put one on and let summer take its time.

BOARDSHORTS

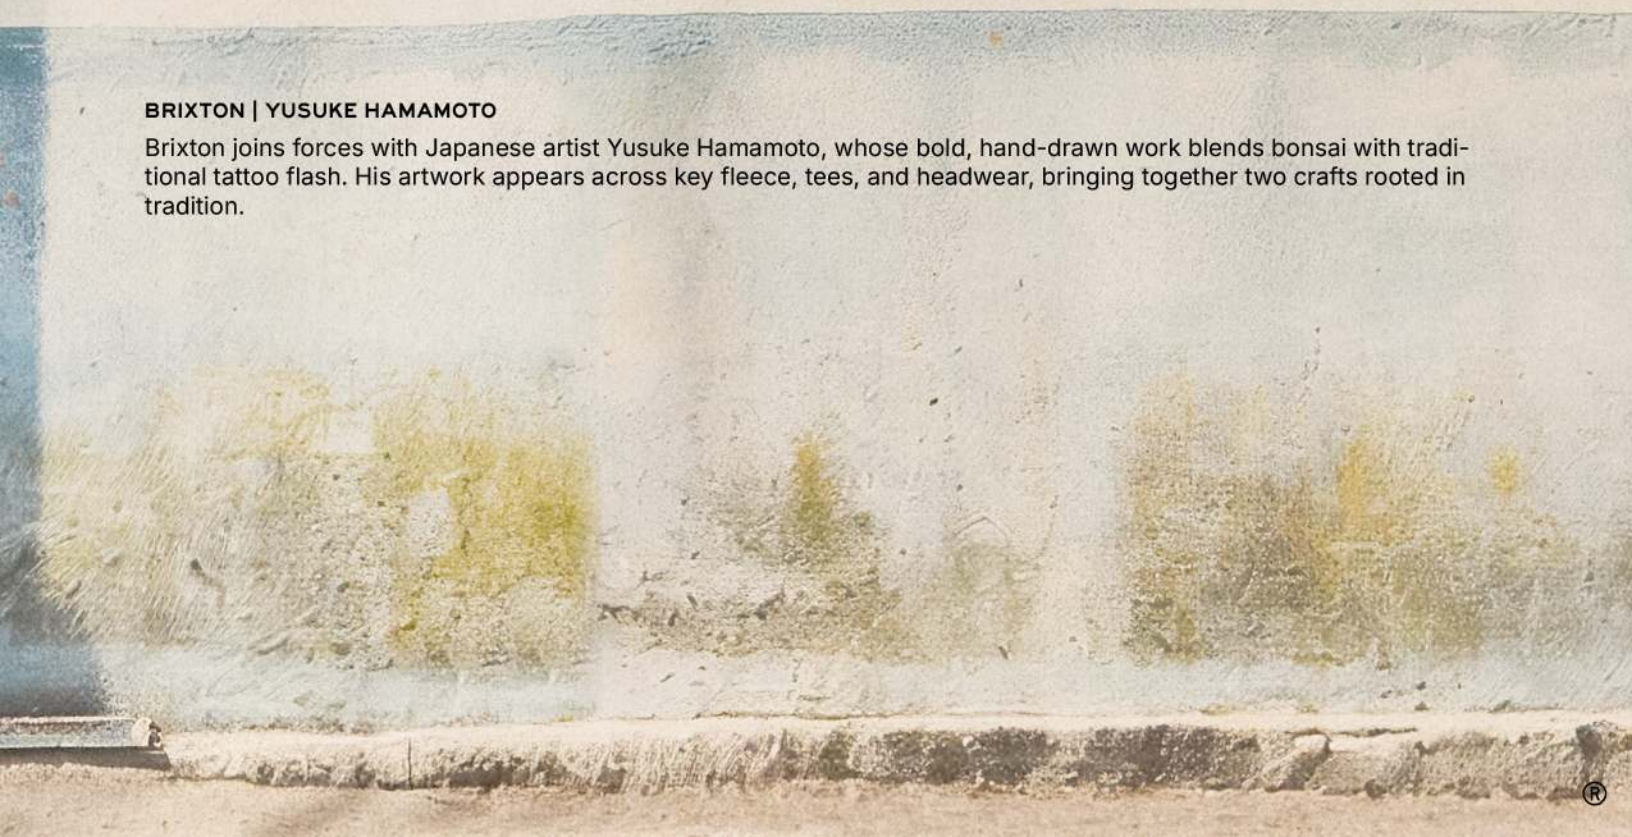

The lineup covers everything from active days in the water to slower ones on the sand. The performance-driven Blitz comes in 19" and 21" lengths, alongside the laid-back 18" Classic Trunk and vintage-inspired 18" Eclipse. Each pair is made to move, dry quickly, and transition easily from the water to whatever comes next.

JOURNEY

Journey is performance clothing with nothing to prove. We believe in clothes that move with you. We took everything rooted in Brixton's workwear and casual lifestyle DNA and applied it to performance. The result is clothing that works as hard as you do, without ever looking like it.

BRIXTON | YUSUKE HAMAMOTO

Brixton joins forces with Japanese artist Yusuke Hamamoto, whose bold, hand-drawn work blends bonsai with traditional tattoo flash. His artwork appears across key fleece, tees, and headwear, bringing together two crafts rooted in tradition.

SNAPBACK FIT GUIDE

Defining the Brixton snapback. Each fit is shaped with purpose, refined through considered detail, and designed with its own distinct style and character.

LEHMAN SNAPBACK

LOW PROFILE

An unstructured snapback with a low profile and classic 5 panel and 6 panel front construction. The soft crown naturally conforms to the head for a relaxed, broken-in feel, while the curved bill adds an easy everyday shape. Finished with an adjustable snap closure, it delivers comfort, simplicity, and effortless style.

BEST FRIEND SNAPBACK

MEDIUM PROFILE

A structured snapback built with a medium profile and a clean 5 panel and 6 panel construction. The firm front panel holds its shape for a sharp, consistent look, while the curved or flat bill adds a worn in, everyday feel. Finished with an adjustable snap closure, it delivers a balanced fit with a confident, refined profile.

BOW TIE SNAPBACK

VINTAGE PROFILE

The vintage fit features a high profile with a semi-structured 5 and 6 panel build for a bold, confident shape. Designed with a flat bill and taller crown, it delivers a strong silhouette out while maintaining everyday comfort. Finished with an adjustable snap closure for a secure, classic fit.

BOARDSHORTS

The lineup covers everything from active days in the water to slower ones on the sand. The performance-driven Blitz comes in 19" and 21" lengths, alongside the laid-back 18" Classic Trunk and vintage-inspired 18" Eclipse. Each pair is made to move, dry quickly, and transition easily from the water to whatever comes next.

BOARDSHORT FIT GUIDE

Three styles across four outseams. The Classic and Eclipse come in at 18", while the Blitz is offered in 19" and 21". Each is built with quick-dry fabric, a secure waistband, and clean, durable construction.
