FALL 2027

OUTSIDER'S DREAM

Fall 27 brings Brixton's workwear roots into the creative rhythm of New York. Warm layers, rich textures, and timeless silhouettes define a collection built for cooler days and late nights. Combining practical details with an easy, understated style, the season moves naturally between city streets and weekends away.

KEY GTM STORIES

BRIXTON | BEATLES

The Brixton x The Beatles collection draws from the subtle style and cultural details of the band's early years, spanning 1964 to 1969. Across menswear, womenswear, and headwear, archival references to Beatles boots, fan clubs, and Japanese releases inform our interpretation of the era. At the heart of the collection is a corduroy jacket featuring chain stitch embroidery on the front and back, finished with a sateen lining printed in full color with the Sgt. Pepper's album artwork. Together, these details bring a quieter expression of Beatles fandom to pieces made for everyday wear.

TRADEMARK

The Trademark collection brings workwear back to its roots: honest, functional, and built for every day. Made from durable cotton-poly twill, each piece delivers reliable structure, easy care, and all-season versatility. Classic uniform silhouettes are refined with practical details and an understated finish, creating foundational pieces that anchor a wardrobe. An everyday uniform made to last, made to work.

CUT & SEW HEADWEAR

Rooted in Brixton's origins, Cut & Sew Headwear brings timeless character to the fall wardrobe. Classic newsboy, flat, and fisherman caps reflect the collection's New York influence, pairing naturally with warm layers and workwear silhouettes. Familiar shapes and rich textures offer a finishing touch that feels distinctly Brixton.

ALWAYS ON

Always On brings the core of Brixton to life through a seasonal lens. For Fall 27, New York's creative spirit inspires a collection of warm layers, rich textures, and timeless silhouettes. Grounded in the brand's heritage, these everyday pieces offer an effortless approach to dressing for the cooler months.

THE BEATLES | BRIXTON

Inspired by the music, style, and culture surrounding The Beatles, this collection captures the excitement of early fan clubs and the individuality of an era. Nostalgic details meet everyday silhouettes, celebrating a spirit that continues to inspire generations.
